

# Child Protection Trainer

Trainer Resource Handout  
Free Resource | [trainerresources.com](http://trainerresources.com)

## About This Handout

This handout is designed for use by **Child Protection Trainers** as a delegate resource. It covers the key knowledge areas, legislation, and practical skills required for the course. Delegates may retain this handout for future reference.

## Learning Outcomes

By the end of this course, delegates will be able to:

- Understand child protection legislation and statutory guidance
- Recognise signs and indicators of abuse and neglect
- Know how to respond to a disclosure appropriately
- Understand the role of the Designated Safeguarding Lead
- Deliver effective child protection training

## Key Legislation & Standards

## Practical Skills & Key Points
