

KEY STATISTICS

8,000+

Non-fatal injuries from falls from height per

25%

Of all workplace fatalities caused by falls from

£1.2 billion

Annual cost of falls from height to UK

95%

Of falls from height are preventable

STEP-BY-STEP GUIDE

1

Avoid

Can the work be done from ground level? Use extending tools or redesign the task

2

Prevent Falls

Use collective measures: scaffolding, guardrails, working platforms

3

Minimise

Use fall arrest systems: safety nets, airbags, crash mats

4

PPE

Last resort: harnesses, lanyards, fall arrest equipment
